

MAR 10 2015

SENATE CONCURRENT RESOLUTION

ENCOURAGING THE DEPARTMENT OF EDUCATION TO MODIFY ITS MEDICATION
ADMINISTRATION POLICY SO THAT ALL STUDENTS AFFECTED BY
ANAPHYLAXIS WILL HAVE MORE EFFICIENT ACCESS TO AUTO-
INJECTABLE EPINEPHRINE.

1 WHEREAS, anaphylaxis is a serious allergic reaction caused
2 by exposure to certain foods, medicines, venoms, or other
3 foreign bodies that may cause epidermal, respiratory,
4 cardiovascular, and gastrointestinal irregularities; and
5

6 WHEREAS, according to a study released in 2013 by the
7 Centers for Disease Control and Prevention, food allergies among
8 children increased by approximately fifty percent between 1997
9 and 2011; and
10

11 WHEREAS, the early use of epinephrine is the most important
12 step in managing anaphylaxis; and
13

14 WHEREAS, an accessible supply of auto-injectable
15 epinephrine that is located within twenty-five yards of a highly
16 populated area on school grounds is necessary to provide
17 immediate relief in the case of a student experiencing
18 anaphylaxis in response to a foreign substance; and
19

20 WHEREAS, some students need assistance with auto-injectable
21 epinephrine as they are incapable of self-administering due to
22 age, disability, effects of the allergic reaction, or other
23 reason; and
24

25 WHEREAS, the current Department of Education policy only
26 permits auto-injectable epinephrine to be stored by schools and
27 self-administered by students without the assistance of school
28 employees or volunteers; and
29

S.C.R. NO. 64

1 WHEREAS, the delayed administration of epinephrine can be
 2 severely detrimental to the wellbeing of the student; now,
 3 therefore,

4
 5 BE IT RESOLVED by the Senate of the Twenty-eighth
 6 Legislature of the State of Hawaii, Regular Session of 2015, the
 7 House of Representatives concurring, that the Department of
 8 Education is encouraged to modify its medication administration
 9 policy so that all students affected by anaphylaxis have more
 10 efficient access to auto-injectable epinephrine; and

11
 12 BE IT FURTHER RESOLVED that the Department of Education is
 13 encouraged to adopt standards for training and drills so that
 14 Department of Education employees and volunteers shall be
 15 qualified and strategically placed throughout the school's
 16 grounds to properly administer auto-injectable epinephrine; and

17
 18 BE IT FURTHER RESOLVED that the Department of Education
 19 submit a report to the Legislature no later than twenty days
 20 prior to the convening of the regular session of 2016 on the
 21 status of implementation; and

22
 23 BE IT FURTHER RESOLVED that certified copies of this
 24 Concurrent Resolution be transmitted to the Governor,
 25 Chairperson of the Board of Education, Superintendent of
 26 Education, Director of Health, and Chairperson of the State
 27 Public Charter School Commission.
